## Sponsor or Donor

### A few things to think about...

There is a difference between a sponsor and a donor.

A sponsor can give a monetary donation in return for publicity. While a donor can give a monetary donation in return for a tax receipt.

Which will work better for you or your company?

The next few pages will outline these benefits. In either case, your support as a sponsor or donor will contribute greatly to the promotion and development of the visual arts in Chatham-Kent.

## Being a Donor

As a donor you can expect to receive a tax receipt for income tax purposes.

Your name or business will also be added to a list of sponsors and donors on our website at: [www.artspacechathamkent.com](http://www.artspacechathamkent.com)
